[DeFloration Tv Crack Password](#)

Internet Connected

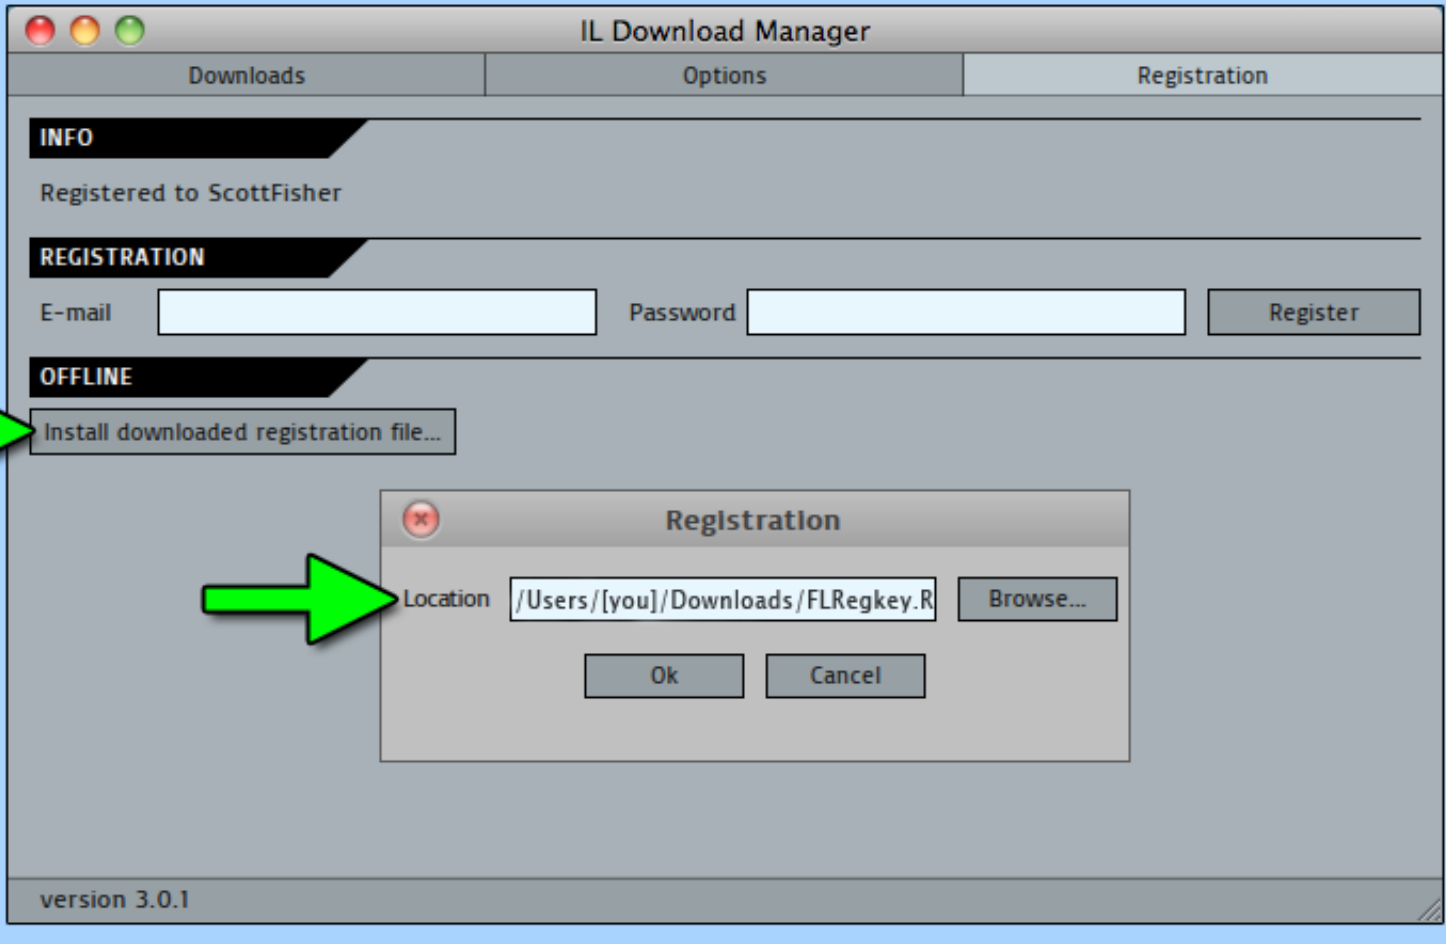

1. Open the **IL Download Manager** and click on the 'Registration' tab.
2. Enter your e-mail and password for your Image-Line account.
3. Click 'Register' and the FLRegkey.Reg unlock key will be installed.
4. A pop-up will inform you when the unlock process is completed.

version 3.0.1

No Internet

5. Complete steps 1 to 3 from the **Manual regcode download** procedure below and save the FLRegkey.Reg file to a portable storage device + the IL Download manager for use on the non-connected computer.
6. Install and run the IL Download manager on the non-connected computer. Click 'Install downloaded registration file...' then click 'Browse' to select the saved FLRegkey.Reg file.
7. Click 'Ok' and a pop-up will inform you when the unlock process is completed.

version 3.0.1
